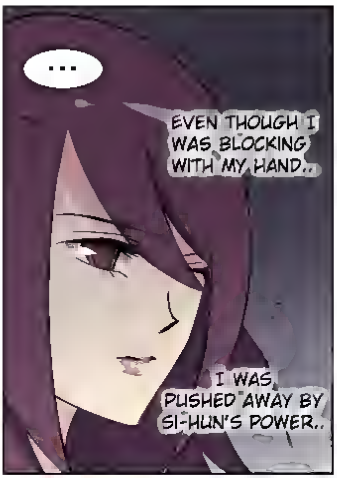
S
H

S, sister. Are you alright?
Don't worry.
BRUSH OFF
Regardless, you think you've got the hang of now?

Yeah, I think I've got it.
Good, you have to remember that feeling.

Miss Su-in, are you hurt?
AHEM
Huh? Nah.
My hand is numb but it'll be fine.

That's a relief. Even though we have so little time, Si-hun seems to have a lot of potential.
Uhuh...



...
EVEN THOUGH I WAS BLOCKING WITH MY HAND..
I WAS PUSHED AWAY BY SI-HUN'S POWER..

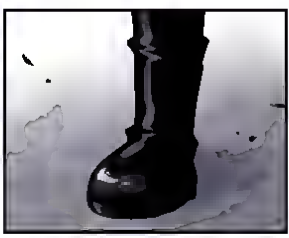
MAYBE... SI-HUN'S HIDDEN POTENTIAL...
IS BEYOND MY IMAGINATION...

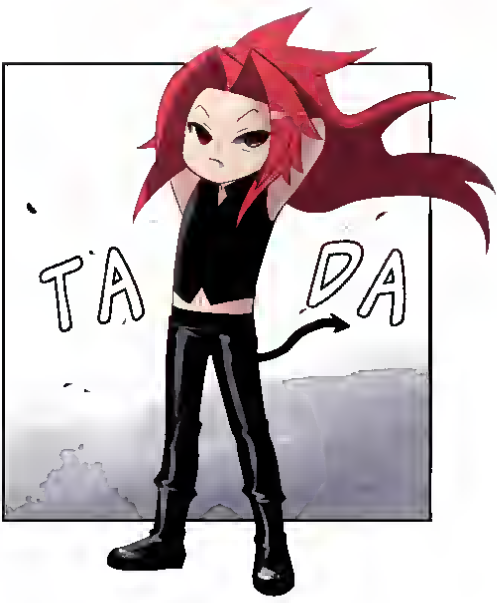
Si-hun, the lesson is not over yet.
Huh?

If you've learned the technique...
Then it's now time for you to test it out!

Test it out...?

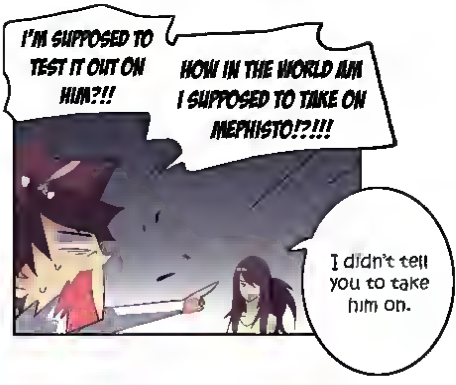
Yep.
On a real target.
GRIN





TA DA

SFX GAAAH-!!



I'M SUPPOSED TO TEST IT OUT ON HIM?!!
HOW IN THE WORLD AM I SUPPOSED TO TAKE ON MEPHISTO!?!!!!
I didn't tell you to take him on.

I just want you to block his punch once.
Nororororo~

SFX: GAAAAH~

Hey medium.
With one punch from me, he might die. You okay with that?
I'm not going to go easy on him.

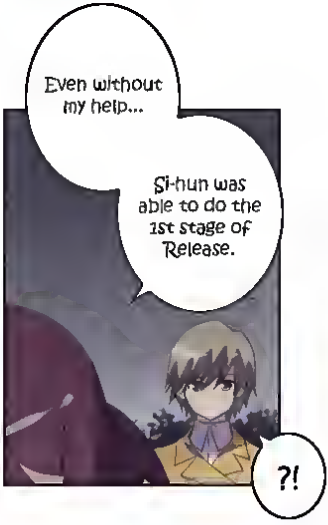
That's exactly what I want.

If he wants to go to the Underworld... He needs to show me the dedication and skill he has.
If he can't even do this, he's just going to be a burden.

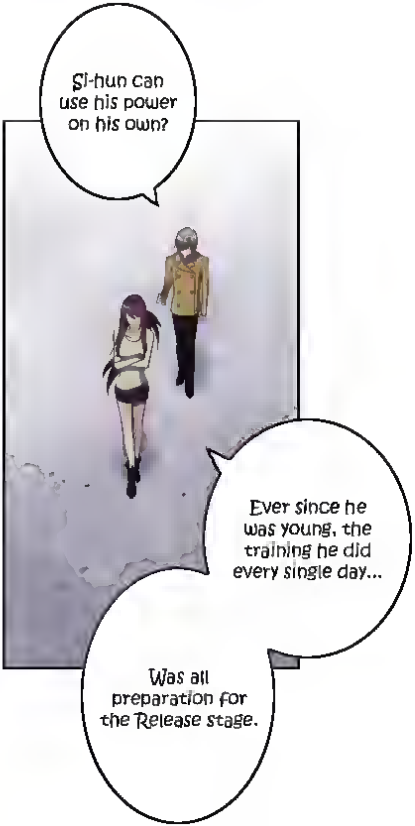
If he really wants it...
He's going to have to prove it.

Alright!
I'm getting pumped!
KEKEKE~
WOOSH
WOOSH
YOU DON'T HAVE TO GET PUMPED UP~!!!

Miss Su-In, is this alright?
Si-hun can't use his power properly yet. .
It all depends on how fast he can master it.



Even without my help...
Si-hun was able to do the 1st stage of Release.
?!



Si-hun can use his power on his own?
Ever since he was young, the training he did every single day...
Was all preparation for the Release stage.

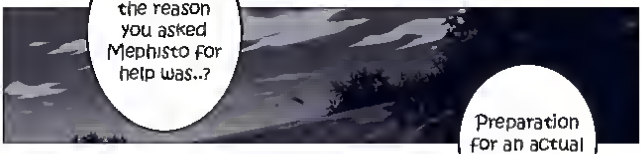
He's been very dedicated to his training... Considering only the release, he is much more skilled than me.

But, the protection talisman that Mom put in him made it so that he couldn't use his power.

The talisman was made to protect Si-hun,

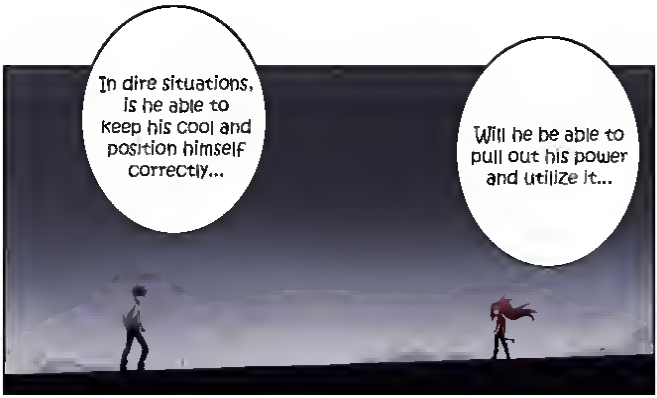
But it also served to block Si-hun's power.

Then... the reason you asked Mephisto for help was..?

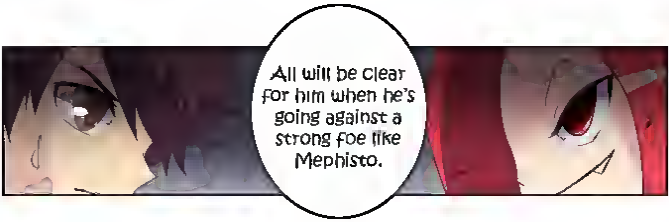


Preparation for an actual fight...

He will have to face strong enemies in the Underworld...



In dire situations, is he able to keep his cool and position himself correctly...
Will he be able to pull out his power and utilize it...

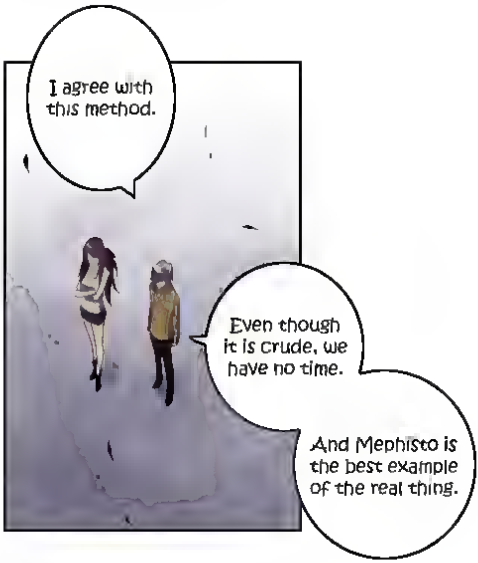


All will be clear for him when he's going against a strong foe like Mephisto.

And...
When I pulled out his power forcefully, it was only a small part of it.

For Si-hun to use the whole of his power, this is the only way.
He is the only one who can utilize the whole of his power.
...

...I see.
I understand now.



I agree with this method.
Even though it is crude, we have no time.
And Mephisto is the best example of the real thing.

However...
Mephisto may be the problem here...
Yes...

WOOOOSH

I HAVE TO FOCUS...!

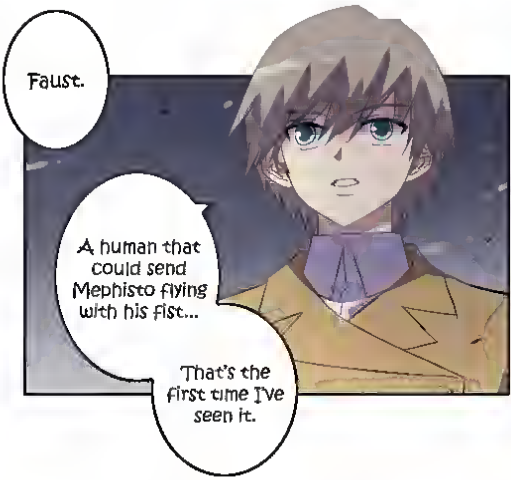
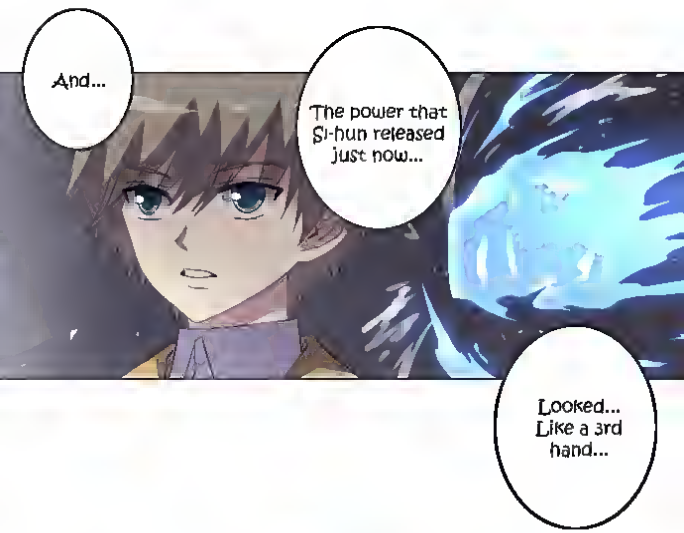
Silly, Release is the basic of basics, you can't name it!*
It's my super skill!
GASP
GASP

I don't think it's that basic...



Faust.
A human that could send Mephisto flying with his fist...
That's the first time I've seen it.



And...
The power that Si-hun released just now...
Looked... Like a 3rd hand...

3rd...

The 3rd hand...
Hmm..

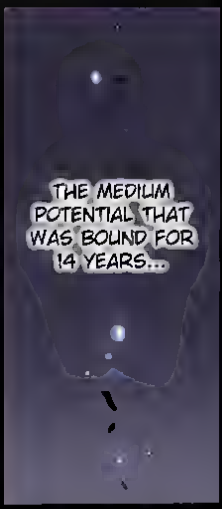
Even though it's basic, you're not used to it... And you can't control your own strength...
That's why you're completely dead after you use it
GAH~

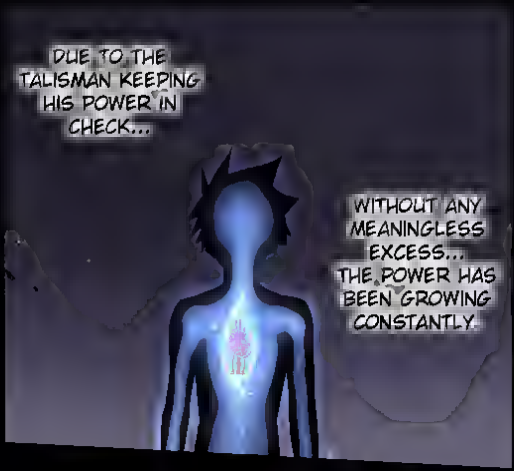
You won't be able to move for 3 minutes after you use it.
So don't use it unless you desperately need to, alright?
...Okay.

Wha~
I can't move for 3 minutes after using one skill...!
WHINE~
WHINE~
I have so much more to learn~

THE TALISMAN THAT WAS INSIDE SI-HUN'S BODY...

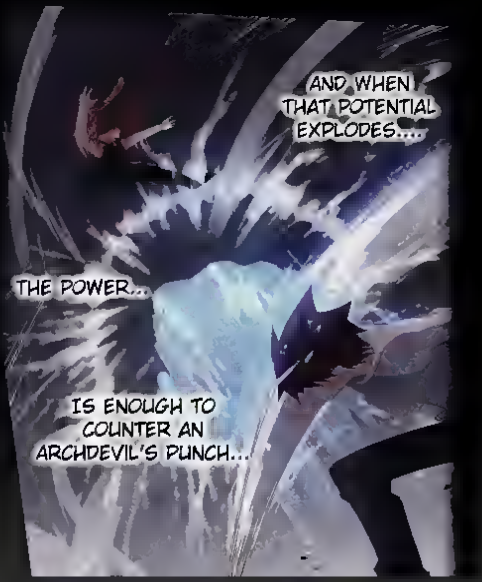


THE MEDIUM POTENTIAL THAT WAS BOUND FOR 14 YEARS...



DUE TO THE TALISMAN KEEPING HIS POWER IN CHECK...
WITHOUT ANY MEANINGLESS EXCESS... THE POWER HAS BEEN GROWING CONSTANTLY.

LIKE A REALLY OLD ARTIFACT...
A HIDDEN POWER WITH SO MUCH POTENTIAL...



AND, WHEN THAT POTENTIAL EXPLODES....
THE POWER...
IS ENOUGH TO COUNTER AN ARCHDEVIL'S PUNCH...

EVEN IF THE POWER HAS BEEN GROWING, THAT'S NOT AN EASY FEAT...
TALENT...

I GUESS...
THE BLOOD OF MEDIUMS CAN'T BE HELPED..

IT'S AN INEVITABLE ROAD...
LIKE DESTINY...

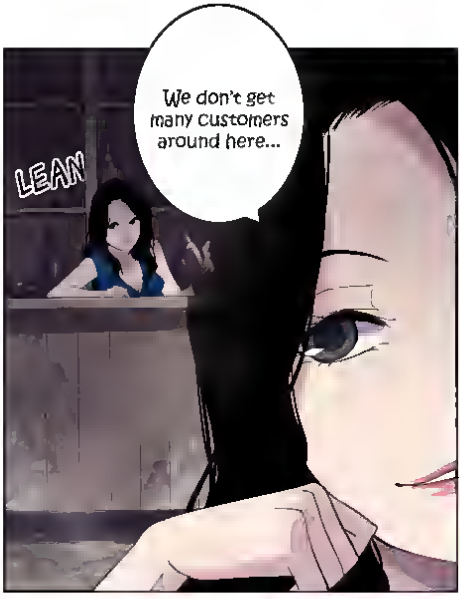
Huh...?
This place is a bar...?
UNDER 18

Who are you?
SURPRISE



We don't get many customers around here...
LEAN

Ah... R, really?
You can tell just by looking that this place isn't very popular.
THERE IS SOMEONE LIVING HERE...

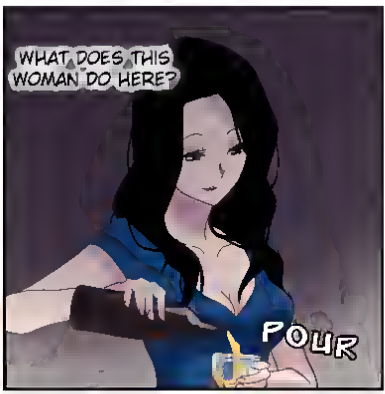
But you're a child.
Oh dear~
GIGGLE

Excuse me... I need to ask something.
Have you seen anyone else around here lately?
Anyone else? Like who?

One of them is a pretty pretty woman with long hair, but she's actually super mean..
Another one is about my age and height, and he's really smart.
The last one looks like a little kid and he has red hair, but he's actually a monster.
..Haven't seem them

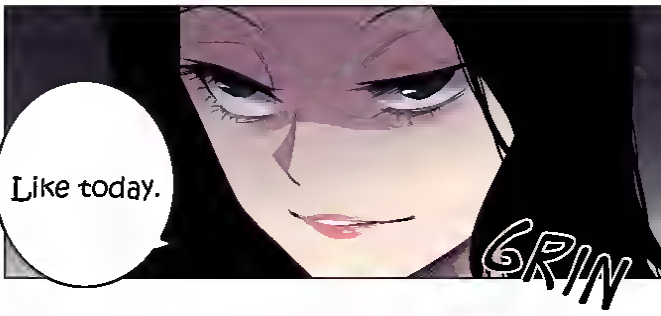
This is near the entrance to the Underworld, so the ones who venture here are usually souls.
Humans are very rare.
But you know, we only have alchohol here. Would you like some water, child?
AIGALE
...No, I'm alright.
Hmmm...

THIS IS REALLY DREARY FOR A BAR...
DOES SHE GET ANY CUSTOMERS HERE..?



WHAT DOES THIS WOMAN DO HERE?
POUR

... Do you live here alone?
Well... I only have a simple business here.
It's very rare, but sometimes I get fresh and delicious products.



Like today.

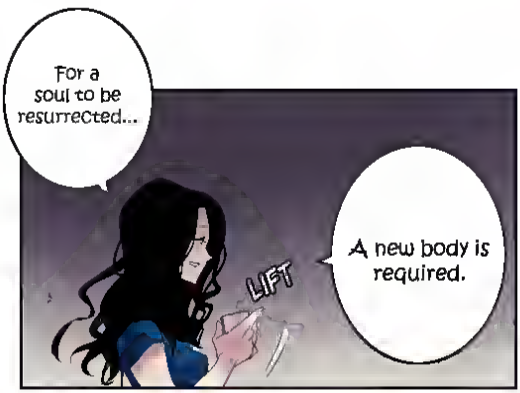
SFX. SCARED

YOU, YOU'RE NOT HUMAN?
You finally figured it out?
My 'human' form has already died.

I'm a soul demon.

SOUL DEMON?!



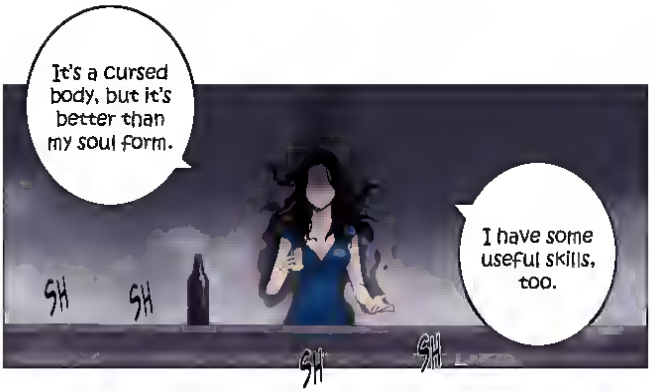
For a soul to be resurrected...
LIFT
A new body is required.

A body made by God...
Only souls who have one of those can be resurrected as 'humans'...

However, not everyone has the luck to receive such a precious body.

The souls who are not bestowed with a body...
Are left with another choice.
They can either stay as souls....
Or...
Use a 'Crafted Body', which is modeled after a human being, although they are quite unstable...

These 'Crafted Bodies' are illegal.... Those that have them are called 'Soul Demons'.



It's a cursed body, but it's better than my soul form.
I have some useful skills, too.
SH

But, obviously...
A living human body like yours is extremely tempting.

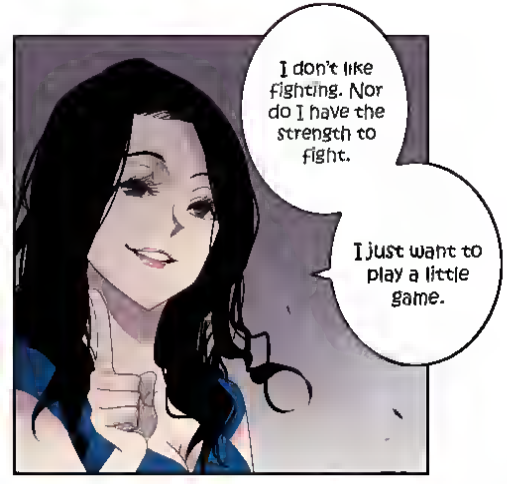
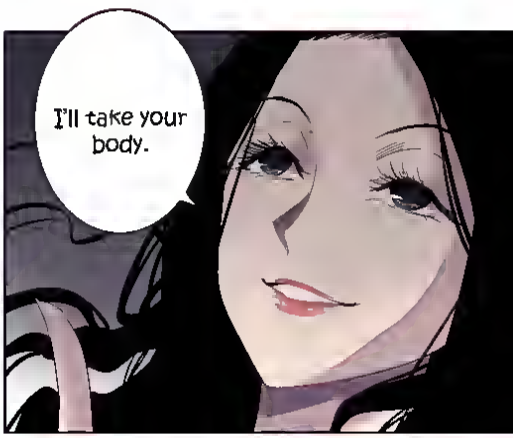
CLENCH

AHAHA!!
Don't get too tensed up now~
PLACE



I don't like fighting. Nor do I have the strength to fight.
I just want to play a little game.

Game?
It's a simple game.
If you win, I'll open the door.
But if I win...

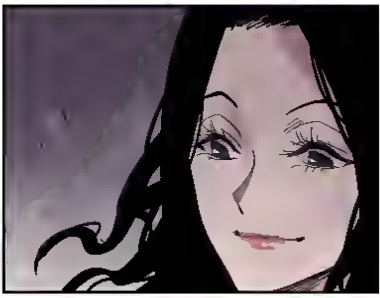


I'll take your body.

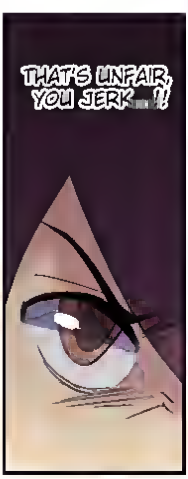
!!

And I also want info on your friends.
How about it?

YOU! BASTARD...!
YOU! WANT NOT ONLY ME, BUT ALL OF MY FRIENDS TOO?!



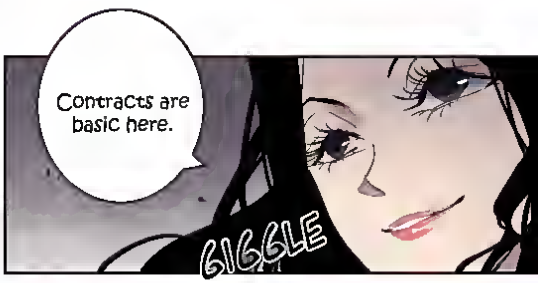
Now, what will you do?
Well, you don't really have much of a choice if you want to leave.
GIGGLE



THAT'S UNFAIR, YOU JERK...!!

FINE!
I'LL TAKE IT!
I HAVE YOUR WORD?!
THAT IF I WIN YOU'LL LET ME LEAVE!
Of course.
If you don't trust me, we can make a contract.

A 'contract' in the Underworld is absolute.
Once the contract is signed, the contents of it will go in effect immediatly.
FW OOM
Let's do this properly. The contents of our contract.

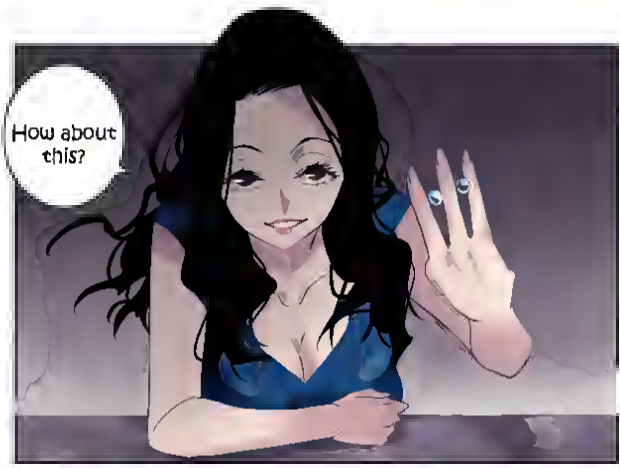


Contracts are basic here.
GIGGLE

FW
OOM

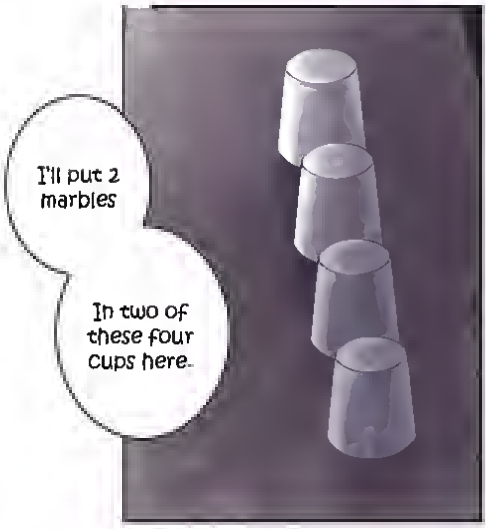
Alright. Contract formed.
WOOSH
WITNESS.

What's the game?
A simple one.



How about this?

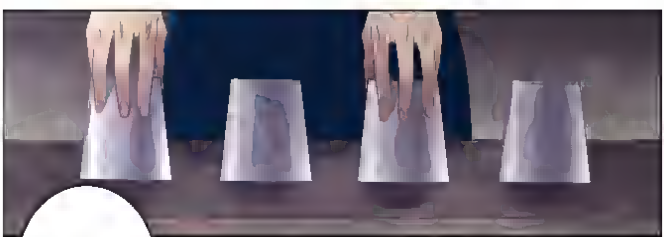
MARBLES?!



I'll put 2 marbles
In two of these four cups here.

I mix them up
and you have to find the marbles within them.
You only have one chance.
Well... Isn't it simple?
Hmm.

You don't need practice, right?



Keep your eyes peeled.

SFX FOR ALL WOOSH

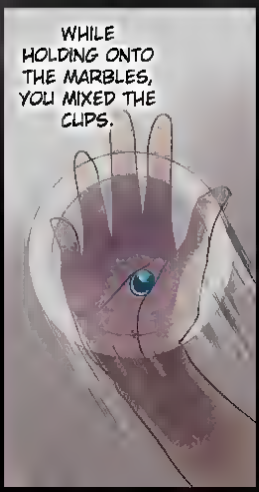
GRIN
Like I thought

H, HOW DID YOU KNOW?
SMACK
First of all... It's not finding which 'cup' the marbles were in...
It was just finding the 'marbles'.
You were going to say that you never said the marbles had to be in the cup, right?!
Ever since I was young I had to live with a lot of souls... so I figured out how they tricked humans a long time ago.
You think they were playing fair in their games?
It's obvious there was a trick. Just like now.
TH... THAT SOUNDS LIKE ME...

FIRST YOU PRETENDED TO PUT THE MARBLES IN THE CUP WHILE YOU HID THEM IN YOUR HANDS.



WHILE HOLDING ONTO THE MARBLES, YOU MIXED THE CUPS.

AFTER YOU MIXED THE CUPS... YOU TOOK THE MARBLES IN YOUR HANDS AWAY WHILE I WAS BUSY CONCENTRATING ON THE CUPS.

PRETENDING TO LAUGH WHILE COVERING YOUR MOUTH... THAT AWKWARD GESTURE.
YOU THOUGHT I WOULDN'T NOTICE... BUT YOU WERE PUTTING THE MARBLES IN YOUR MOUTH AT THAT MOMENT.

AND FINALLY... YOU SHOWED ME YOUR EMPTY HANDS
LIKE THERE WAS NO TRICK AT ALL...

It's a very crude method
YOU NEED ME TO TEACH YOU ANYTHING OR TWO?
But if you hide them in your mouth, you can't say anything and have to resort to hand motions and make it seem more suspicious
How about you try another method next time?

We're done, right?
I won?!
GRR...

Now open the door!

But how did you find me?
Ah... Thanks to Faust and Mephisto.
Faust calculated the area where you should've fallen.

Calculated...?
Yes, I just found the point of intersection. All I had to do was calculate the direction and speed of your flight.
It's not that hard.

And after that, Mephisto found you.

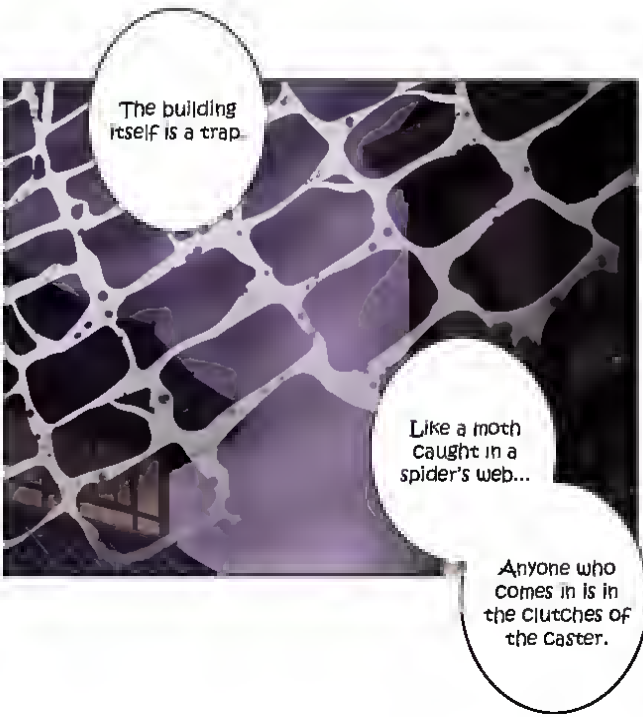
Huh?
The building disappeared?!
The other's skill has been deactivated.

From the beginning... There is nothing other than this flatland near the entrance of the Underworld.
The buildings just now... were probably from a spell of one of the soul demons we just fought.

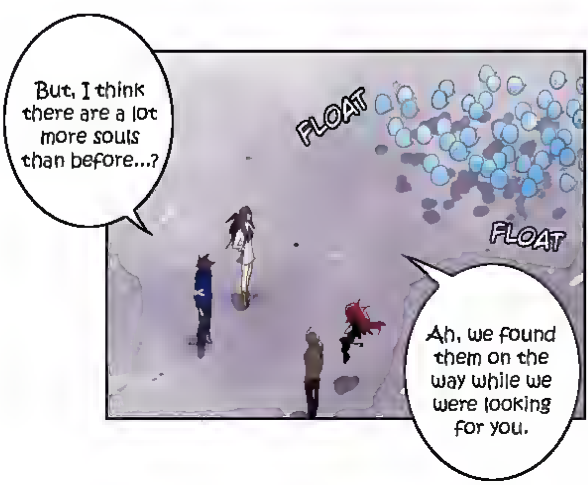


The building itself is a trap.
Like a moth caught in a spider's web...
Anyone who comes in is in the clutches of the caster.

Regardless of which building you went to, the trap would've been the same.
All you had to do was ignore the buildings from the beginning
Everyone from the Underworld knows the rules.
So... The goal of these soul demons was to capture...
Innocent souls or humans that don't know anything...
They're very low class hunters.
There are a lot of them here.
Hmmm.

Ah,
I can move my body now.

Sister, this skill is way too bothersome.
It's so inconvenient not being able to move for 3 minutes after using it once. Isn't there something I can do to shorten that time?
Get used to the skill.
Fight better.
Time and practice.
THEY'RE ABSOLUTELY NO HELP AT ALL..



But, I think there are a lot more souls than before...?

I'm guessing we need to cross the river
Crossing one of the rivers of the Underworld means that you are cutting all ties that you have with the human world.
It is almost like a symbolic ritual.

There are many ways to get to the Underworld,
but no matter which route you take, you must cross a river.
All we can do is wait until the ferryman arrives to guide us across the river...

For both sides going on the boat, or staying...
It's dangerous to leave the souls alone.

I agree.
So 2 people will go on ahead and wait at the other side of the river

BUT WHAT CAN WE DO...?
WITH THEIR NUMBERS, IT'S NOT GOING TO BE EASY...

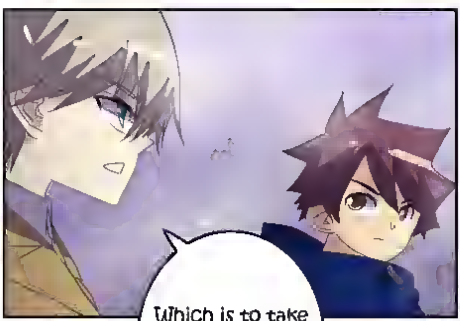
Hey Faust, do you have some kind of plan...?
The monster Ocpus.
They always travel in groups.
However there's only one that leads all of them.

REALLY?!
WHICH ONE IS IT?!
...That one.

Way in the back_. The one with the glowing horn is the leader.

It controls the monsters through the light that it emits from its glowing horn.
If we can get rid of the leader, the others should flee in panic.
I've been keeping my eye out for the leader from the start...
Then that's simple. Faust, all we need to do is pound that guy, right?
Well, the problem is that the leader is always alert of its surroundings
Up till now, the leader was constantly hiding underneath the river... and only surfaced to check on the situation.
Then, what do we do?
We have to hurry up and take it out before it goes back into hiding...

There's only one way...



Which is to take it out in a single blow in a brief opening.

Well then, I'm counting on you to carry out the plan.

We're alive because of you.

No... Well...
I'm just doing what I have to do.
AHAHA..
And all I did was do as Faust told me to...
That's not true at all.
If Si-un and Charon-nim weren't here, I probably wouldn't have been able to carry out my plan.
Ah, right!
Thanks, Charon!
That fierce oar of yours was really cool!
THE BEST!

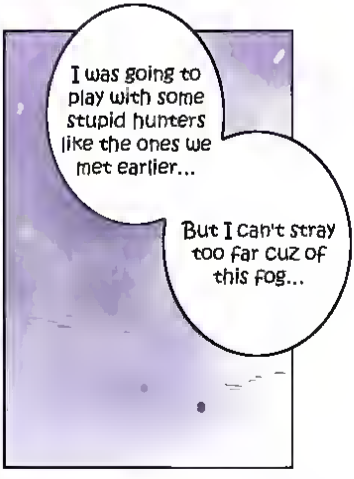
Ah, I'm so bored.



I was going to play with some stupid hunters like the ones we met earlier...
But I can't stray too far cuz of this fog...

KABOOM
CRASH
?

Huh? This is...
The sound of a fight...?

SFX: ZOOM
If that's true, there's no way I'll miss out on it!

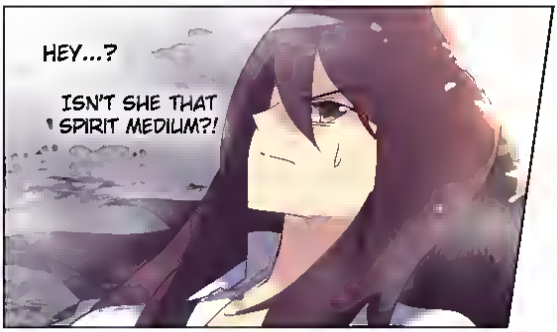
Ooh!
They're really fighting!

I was bored, so this is great!
KYA KYA KYA
Cause fighting never gets boring no matter how long you watch.

Hm?

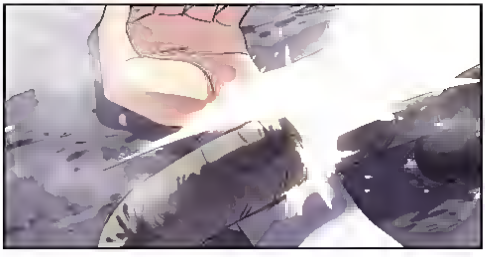


HEY...?
ISN'T SHE THAT SPIRIT MEDIUM?!

AND...
THAT GUY IS...

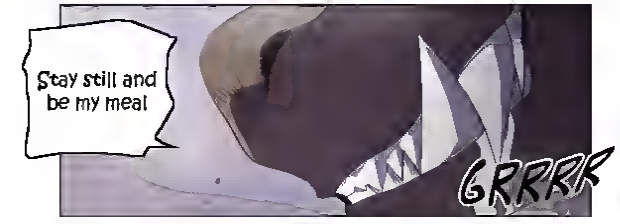
MINOTAURUS?!
SFX RUMBLE

Hoh, it sure has been a while.
This could be pretty entertaining!
GRIN

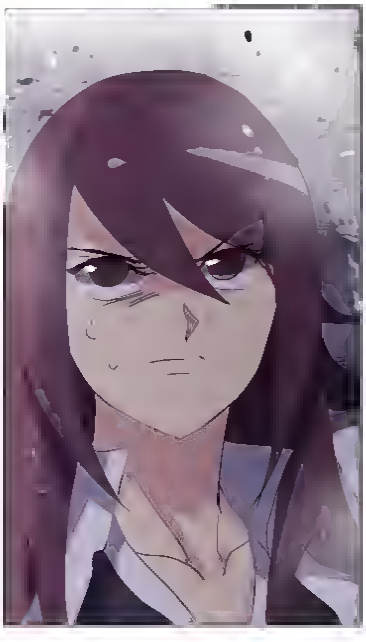


OHH
H

Kukukuku
This is the end.



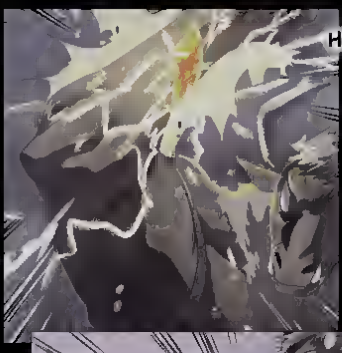
Stay still and be my meal
GRRRR



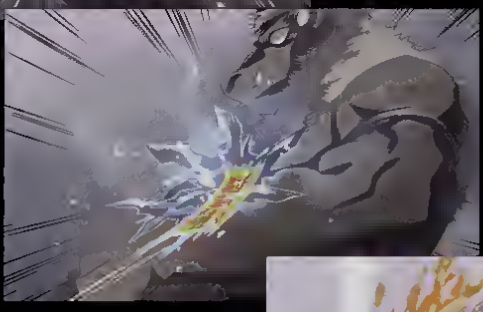
A DEMON IS SURE TO HAVE A WEAK POINT..

A DEMON'S BODY IS ALWAYS IMBUED WITH AN ELEMENTAL ATTRIBUTE

BECAUSE OF THIS, THEY ARE WEAK AGAINST A CENTRAL ATTACK AGAINST THEIR ATTRIBUTE.



THE THREE SPOTS I ATTACKED SO FAR HARDLY DID ANY DAMAGE.

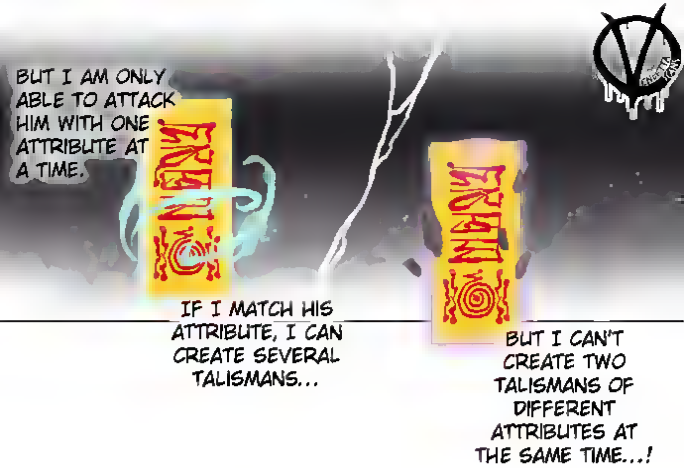


IF THAT'S THE CASE...

FOLLOWING THE RELATIONSHIP BETWEEN THE ATTRIBUTES... THAT DEMON'S BODY IS...

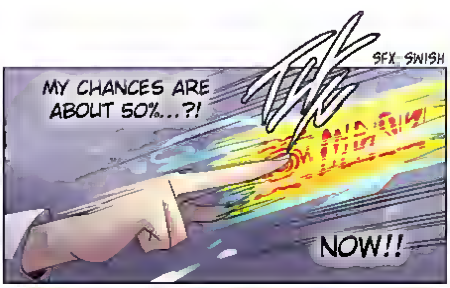
NOT WATER, FIRE, NOR WIND.

THAT LEAVES THUNDER AND EARTH. ONE OF THOSE TWO IS HIS ATTRIBUTE.



BUT I AM ONLY ABLE TO ATTACK HIM WITH ONE ATTRIBUTE AT A TIME.
IF I MATCH HIS ATTRIBUTE, I CAN CREATE SEVERAL TALISMANS...
BUT I CAN'T CREATE TWO TALISMANS OF DIFFERENT ATTRIBUTES AT THE SAME TIME...!

AND ON TOP OF THAT...

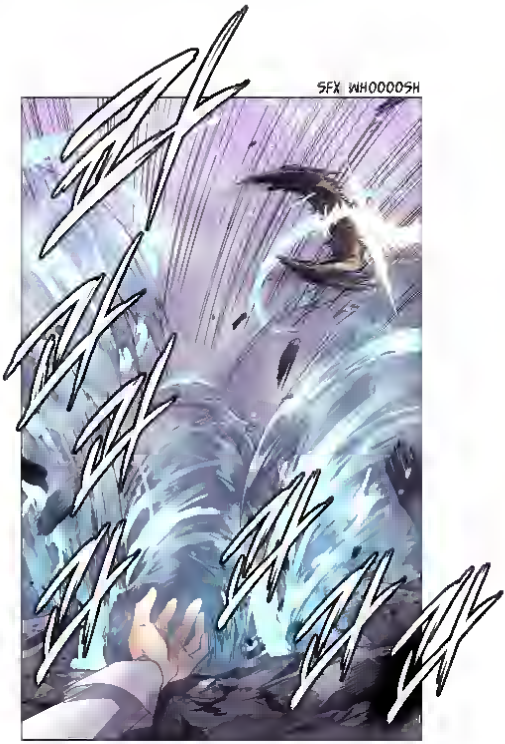


SFX FWOOSH
I AM POSITIVE THIS IS HIS WEAKNESS. !!
TALISMAN: WIND

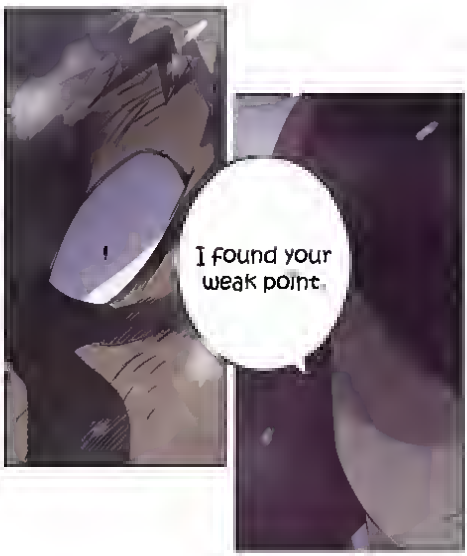
SFX SWIRL
KUUAAAAAAAH!!!

SFX: SWISH

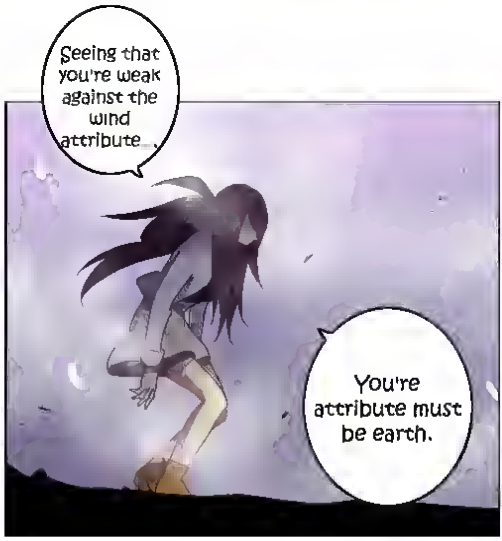
SFX: FLASH FLASH FLASH



SFX WHOOOOSH



I found your weak point.



Seeing that you're weak against the wind attribute...
You're attribute must be earth.

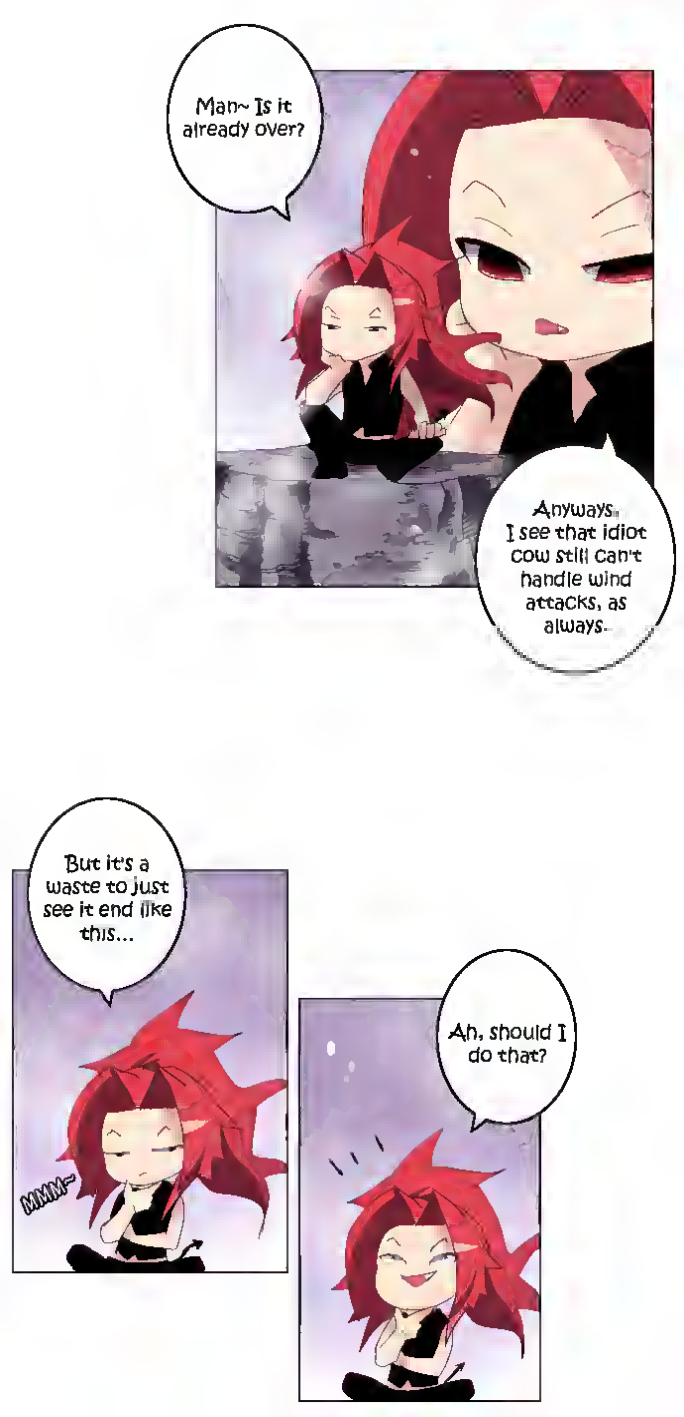
DAMN...!
SHE KNOWS!!

There were only 2 remaining attributes. You're attribute was either thunder or earth. One of the two.
However, there was hardly any chance that you were a thunder attribute.
A distinctive trait of a body with the thunder attribute is that static electricity is easily generated, but that never even occurred once.
Even after sticking close to you, of course

Well
Then...

Starting now, I'll take you on with all that I have.
TALISMAN: WIND 6 FOLD

...KGH!



Man~ Is it already over?
Anyways. I see that idiot cow still can't handle wind attacks, as always.
But it's a waste to just see it end like this...

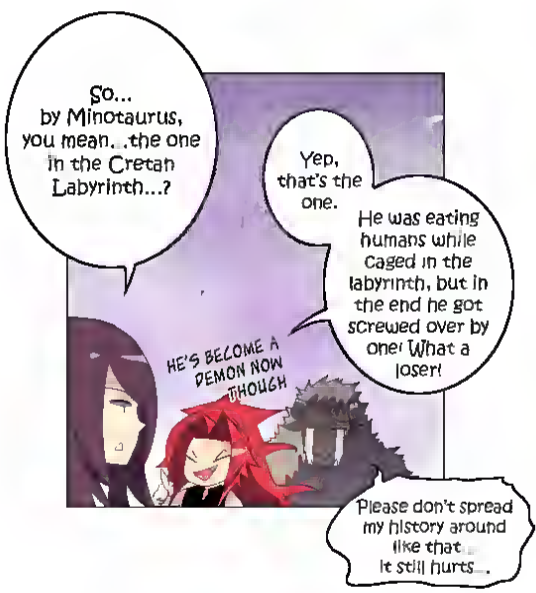
THAT DEVIL'S JUST NATURALLY INCLINED TO HARASSMENT, ISN'T HE.
T-THAT HUMAN'S REFERRING TO MEPHISTO-NIM SO CASUALLY...!



So... by Minotaurus, you mean...the one in the Cretan Labyrinth...?
Yep, that's the one.
He was eating humans while caged in the labyrinth, but in the end he got screwed over by one! What a loser!
HE'S BECOME A DEMON NOW THOUGH
Please don't spread my history around like that... It still hurts...

What're you doing here instead of entering the Underworld?
Ah, that's... well...
I was being... punished.
Puni-shed?!

I was trying to get rid of a bunch of Azraels... and then...
Hm, so you messed with those angel bastards.
So that's why I haven't seen you around these last few centuries.
Oh, so that's why your foot is shackled...

The Azraels made this shackle. It's incredibly tough.
I worked at it for 200 years just to sever the chains, but...
I can't seem to get the shackle off.
DRAG

And because of this, I can't even return to the Underworld...
Since I have to pass the Gate to get into the Underworld

But whenever I approach the Gate, the power of the shackle catches me and forces me back...

SNORT!!
Yep! He's the worst!

Welcome.

Those of you who have come to the 124th Gateway

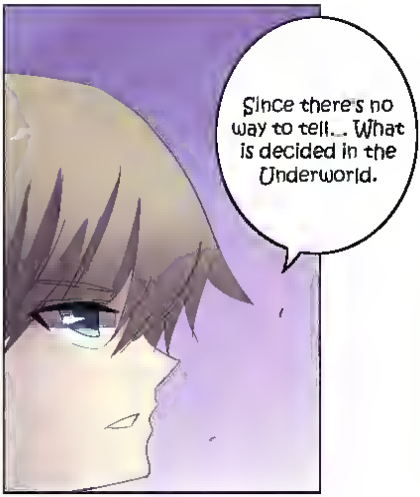
SFX OOOOOOH

I am the gatekeeper of this place.

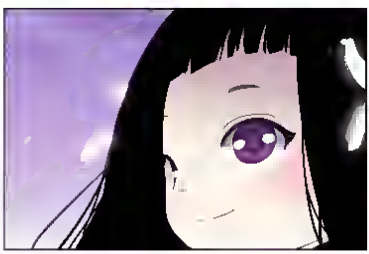
S...SOMETHING TINY JUST POPPED OUT...
SMILE
SMILE
Then .. All we need to do is cross this place?
Yes.
This Gateway... Is not only the entrance to the Underworld,
and it also seems to act as the boundary between different regions in the Underworld.

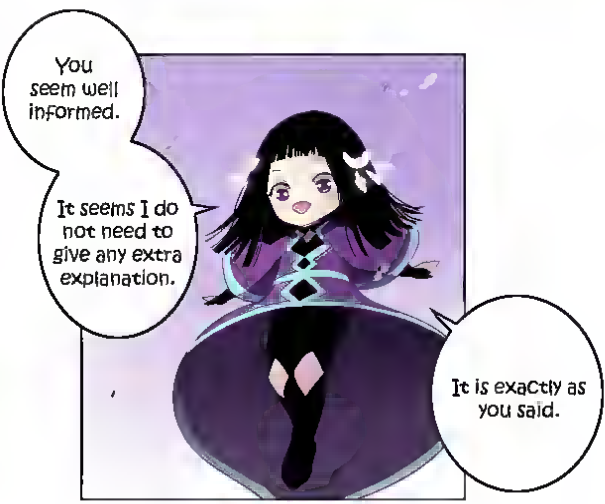
There are countless gateways placed throughout the Underworld.
And those gateways always come with some sort of puzzle or trial.
Only after you solve the problem can you cross the gateway.

Puzzle? Trial?
Are they difficult?!
Depends on the gateway. It could be simple or it could be compli-cated.
On top of that, since the gateway's location and trials are constantly changing...
There is no way to predict what kind of problem will come out.



Since there's no way to tell... What is decided in the Underworld.

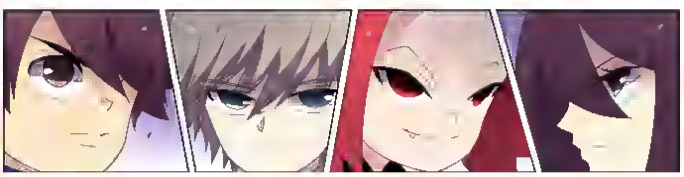




You seem well informed.
It seems I do not need to give any extra explanation.
It is exactly as you said.

This is the gateway to the Afterworld.
I welcome all of you here.
IF WE CAN GET THROUGH HERE...
FINALLY, I'LL REACH THE UNDERWORLD...

AND...
THE CONTRACT BEGINS.



SOUL CARTEL

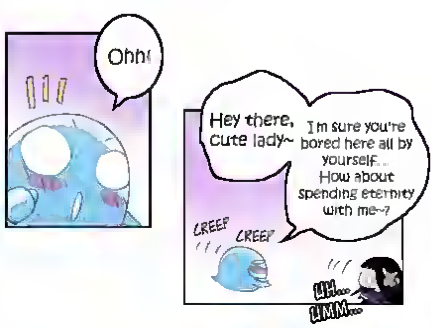
Wow~
There sure are some amazing people in this group!

And I see even Mephisto-nim is present.
Yeah, hey there.



Ohh!
Hey there, cute lady~
I'm sure you're bored here all by yourself... How about spending eternity with me~?
CREEP

UH... UMM...

STEP
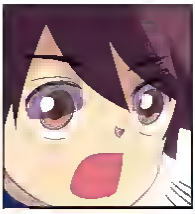
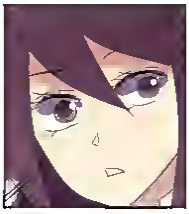
GUAAH~
NOONIM, I'M SORRY~
HIIIGH~
...

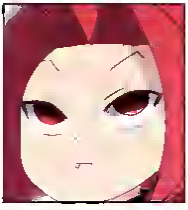
Now then,
I shall explain the rules about this place.

All of you have incredible luck.
This gateway is of the lowest E-Difficulty

THE 124TH GATEWAY IS A PLACE WHERE ALL OF YOU COULD PASS THROUGH WITHOUT TROUBLE!!
YEAH







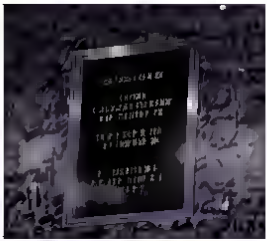
WOW~

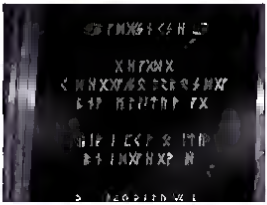
This place has no special trial!
DA
DAN
SO SHE'S THIS TYPE OF CHARACTER...

All you need to do is go on through.
GESTURE

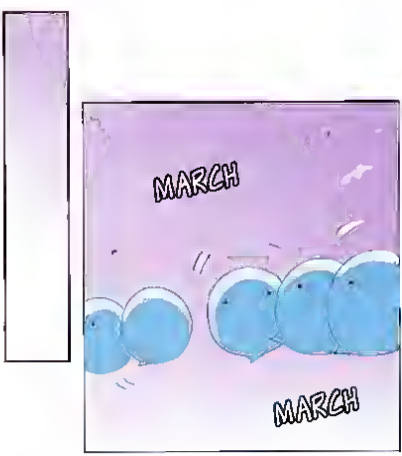
Come and pass by me in order and wait next to the gateway.
Is that really all we need to do?
Of course.

Haha, I thought it was going to be something hard, so I was getting nervous...
But it's nothing much, huh?
SCRATCH
SCRATCH

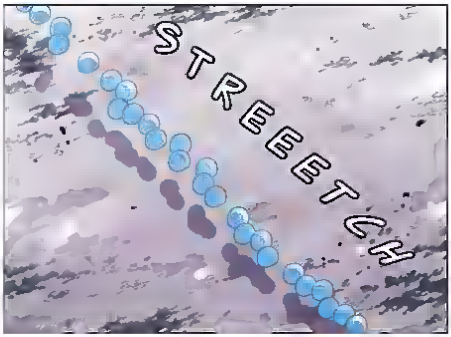




...

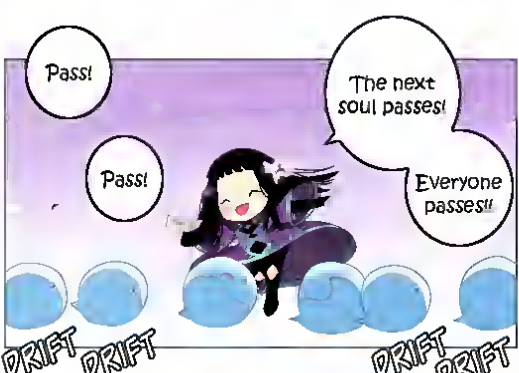


MARCH
MARCH

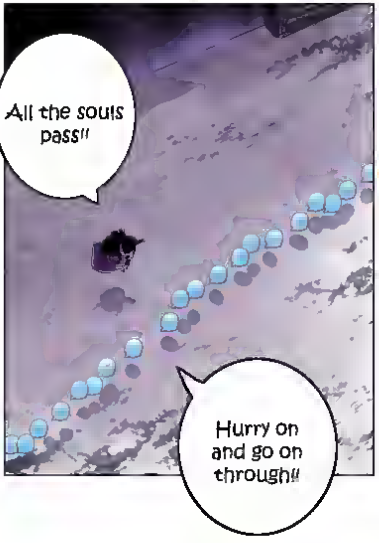


STREETCH

Pass!
Pass!



Pass!
Pass!
The next soul passes!
Everyone passes!!
DRIFT
DRIFT
DRIFT
DRIFT



All the souls pass!!
Hurry on and go on through!!

The calf demon also passes.
I'M NOT A CALF...

Is Mephisto-nim also going to wait along with those souls?
Yup.
But Mephisto-nim can go on through any gateway.
Since you're an archdemon.
AH, WHAT A PAIN
Eh, I guess I'll wait for the guys back there.
STEP
Wait.

Please stop right there.
I cannot allow you to pass through this place.

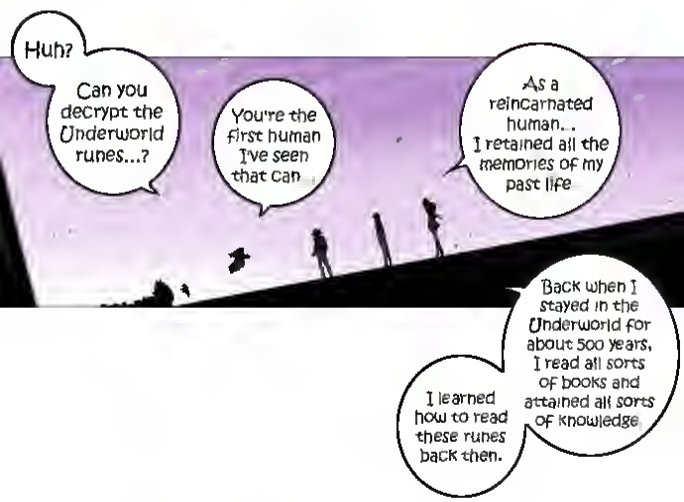
Huh...?

W-WHAT! WHY NOT!
I HAVEN'T DONE ANYTHING!!
You are different.

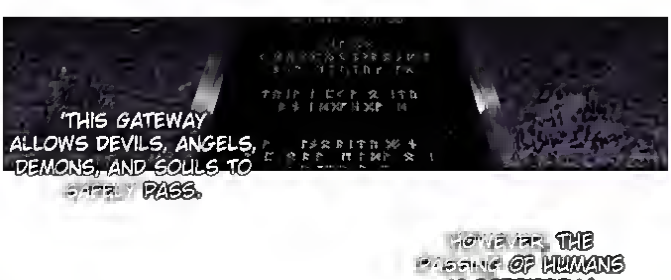
Since you're a human.

'Gateway that forbids humans'

That is what's inscribed.
Oh the gateway...

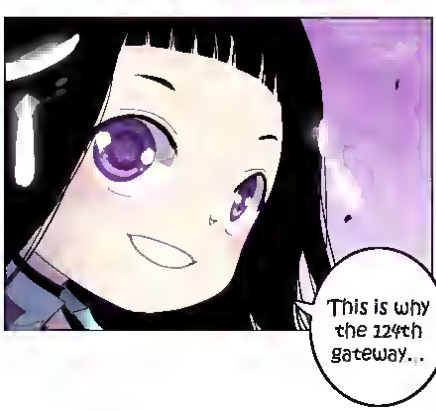


Huh?
Can you decrypt the Underworld runes...?
You're the first human I've seen that can
As a reincarnated human... I retained all the memories of my past life
Back when I stayed in the Underworld for about 500 years, I read all sorts of books and attained all sorts of knowledge
I learned how to read these runes back then.



'THIS GATEWAY ALLOWS DEVILS, ANGELS, DEMONS, AND SOULS TO FREELY PASS.
HOWEVER, THE PASSAGE OF HUMANS IS FORBIDDEN.'

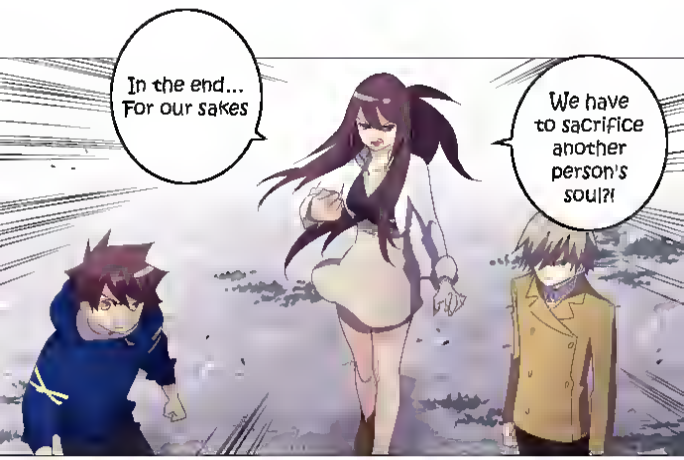
'INSTEAD, IF A SINGLE SOUL IS SERVED AS A 'SACRIFICE', HUMANS MAY PASS FOR A PERIOD OF ONE HOUR.'



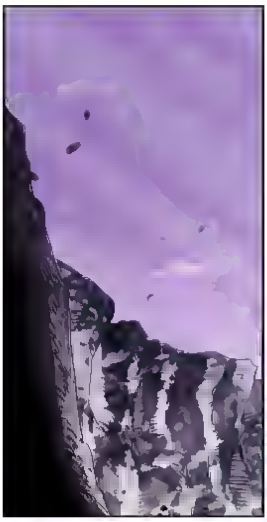
Is also called the 'Gateway that forbids humans'

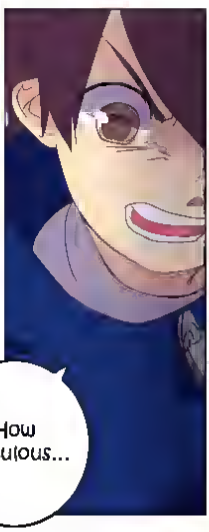
GATEWAY THAT FORBIDS HUMANS?!

If we want to pass this gateway...
We have to offer up a soul...?!



In the end... For our sakes
We have to sacrifice another person's soul?!





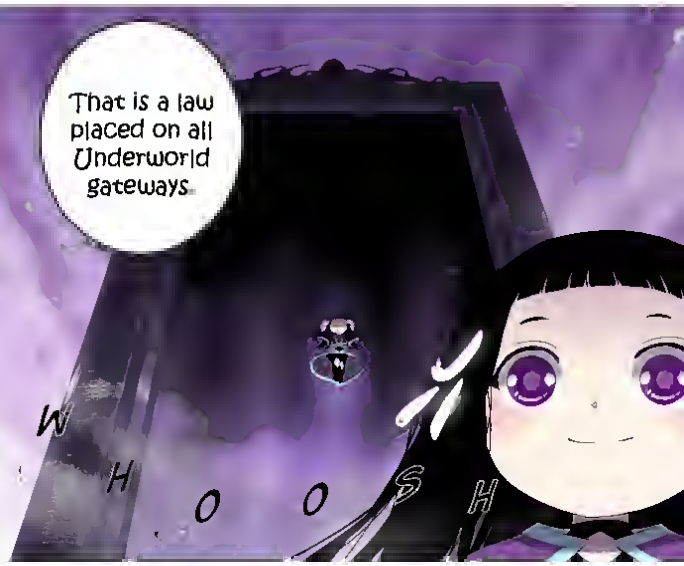
How ridiculous...

HOW CAN SOMETHING LIKE THIS EXIST...!
CLENCH

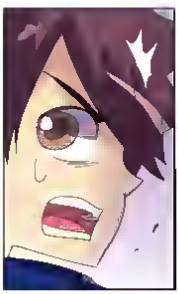
LET'S JUST GO TO ANOTHER GATEWAY!!
THERE'S BOUND TO BE MORE, RIGHT?!!
TURN
It's not... That simple a problem.

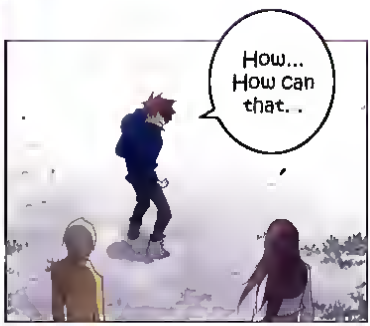
We can't go to another place.
We have to solve the problem here no matter what.

If you give up on a gateway just once...
You will be restricted from all gateways for the next 100 years.



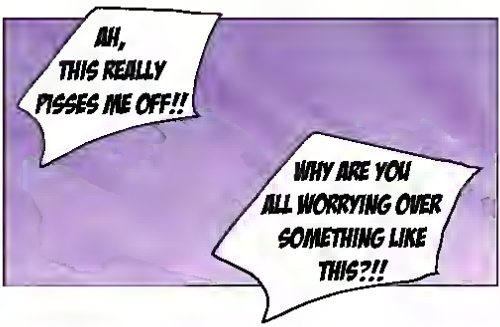
That is a law placed on all Underworld gateways.
WHOOSH





How... How can that. .

POUT~
...



AH, THIS REALLY PISSES ME OFF!!
WHY ARE YOU ALL WORRYING OVER SOMETHING LIKE THIS?!!

SFX. SA SA SA SA SAK

THESE GUYS...! THEY'RE ONLY FAST DURING TIMES LIKE THESE!
NOT LIKE THEY HAVE ANYWHERE TO GO!
